

Active noise reduction

AVIATOR
ANR-1000

Less noise - more focus

With Aviator ANR-1000 you have the opportunity to experience active noise reduction at the price of a standard headset! ANR-1000 reduces background sounds at low range frequencies and guarantees a noise reduction of 24 db compared to a normal passive headset.

As a pilot you will enjoy a less stressful environment which allows you to fully appreciate the sensation of flying. It is our pleasure to share this experience as a time limited special offer exclusively for Swedish aero clubs. Aviator ANR-1000 comes with a 2 years warranty.

The normal retail price is SEK 3.735:-.

Order your headset before 31. August and get it for SEK 2.900:- * **YOU SAVE SEK 835:-**

Try before you buy!

Order your headset today and test it in your own plane. If you like it you keep it and pay us - if you don't, just return it to us safely within 30 days. Order ANR-1000 at:

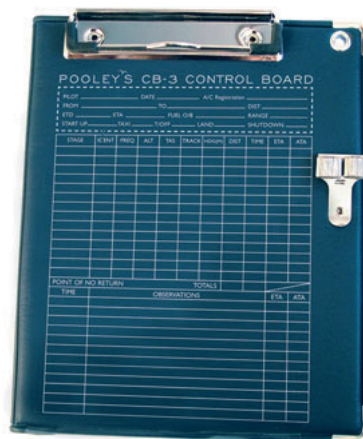

sales@anr-headset.com

To claim your discount please tell us in which aero club you are a member.

We look forward to sharing the sound of silence!

* The price includes VAT but shipping costs will be applied.

Due to big interest from Swedish aero clubs we decided to extend this offer to 31.October 2010.

Kneeboard from Pooleys

Get organized!

The board is attached around your knee. It offers easy access to your flight notes, but also opens to reveal 5 plastic pockets for your approach charts.

The normal retail price is SEK 315:-.

Order with your headset and save 15 %.
